SUBJECT: CZECHS PROMISE TO LOOK INTO ROMANIAN ADOPTION
QUESTION

REF: STATE 43700

1. (SBU) Poloff met Dagmar Hovohradska, MFA's Human Rights Department, March 22 to discuss reftel demarche on Romanian intercountry adoption. Hovohradska said the Human Rights Department will research the issue and provide a response within a week. However, Hovohradska was unsure what the Czech position would be in light of a recent intercountry adoption involving the death of a three-year old Czech boy. The Swedish couple who adopted the boy is now accused of killing him. As a result of this case, Hovohradska predicted the passage of a new Czech law on intercountry adoption that would require psychiatric testing of all prospective adoptive parents.
